

# Harry Potter Logic Puzzle

	Chocolate Frog	Fizzing Whizzbees	Bertie Botts	Cauldron Cakes	Hogwarts Express	Gryffindor Tower	Three Broomsticks	Diagon Alley
Hermione								
Harry								
Ron								
Neville								
Hogwarts Express								
Gryffindor Tower								
Three Broomsticks								
Diagon Alley								

Harry, Hermione, Ron, and Neville all bought some candy to take with them to Hogwarts. They all bought a different type of candy and ate their candy in a different location. Determine

who ate what candy and where they ate it with the clues below

1. Neville did not have a cauldron cake and Harry did not have a chocolate frog
2. Neither Harry nor Neville ate on the train.
3. The chocolate frog was eaten in Diagon Alley but not by Ron.
4. Ron ate in the Three Broomsticks but he did not eat a Cauldron Cake.
5. The person who ate the Fizzing Whizzbees ate them on the train.
